PROFILE SUMMARY

Motivated and detail-oriented computer science and engineering student passionate about technology and problem solving. I am eager to apply my academic knowledge, learn new skills, and contribute to innovative projects in the field of software development. Enthusiastic about expanding my expertise in areas such as web development, artificial intelligence and machine learning.

EDUCATION

2024-2028

KARUNYA INSTITUTE OF
TECHNOLOGY AND SCIENCES

Bachelor of Technology (CSE)

EXPERIENCE

I have joined in the Code Craft Club of my university to gain more hands on experience in coding. I have also contributed as a volunteer in various programs demonstrating strong teamwork, leadership and organization. I have solved various problems in hackerrank, Leetcode and Datacamp. Additionally, I have worked on projects like bank account management system using C programming and traffic optimization device.
